Welcome to Mountainside Villas at Massanutten

Mountainside Villas lies at the base of the Massanutten Peak in the heart of the Shenandoah Valley of Virginia. It was constructed between the years of 1978 and 1985 and is part of Massanutten Village. The community of Mountainside Villas consists of 175 2-bedroom villas

As a part of Massanutten Village, Mountainside Villas has access to the many amenities within the village, including indoor and outdoor pools, water park, golf, snow skiing, indoor recreational facilities and other amenities typically associated with a resort community. Guests of Mountainside Villas will also find two on-site restaurants and two small convenience stores within the resort. Souvenirs are available at these stores as well as three other small shops.
